In re Application of	:

Application No. 09/444, 723	:	RESPONSE TO REQUEST
Filed: November 29, 1999	:	FOR REFUND
Attorney Docket No. 100-42	:	

This is in response to your letter(s) submitted on 4-24-00 and 2-13-01 wherein you requested a refund of \$35.00 in the above-identified application.

The request for refund is dismissed.

After thorough inspection of U.S Patent and Trademark Office physical records and Revenue Accounting Management financial records, it is determined that you're not entitled to a refund of \$ 35.00.

The reason for denial is as follows: The file date was granted on 11-29-99(the new fee's did not go into effect until 12-29-99) making the basic filing fee \$ 380 (not \$345 half of \$690) with \$72 for 8 additional claims over the original 20 claims given at \$9 for each additional claim and \$ 39 for 1 extra independent claim making the total filing fee \$491. Then we (meaning the Patent Office) applied the \$65 for surcharge and \$40 for an assignment thus giving a total fee of \$596. Your office stated that a check for \$561 was sent in for the filing fee's therefore leaving a deficiency of \$35 which was charged to the deposit account.

Telephone inquiries concerning this matter may be directed to the undersigned at (703) 308-7827.

This application will be retained in Technology Center 2600.
